Notes from the Librarian

Congratulations to K-2 Name that Book Team. We won third place with a score of 22 out of a possible 25.

Kolter Kids Rocks!

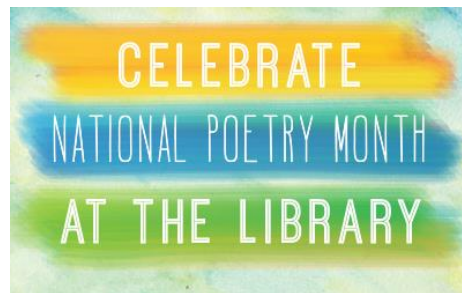

Don't forget to return your library books! The library will begin shutting down the week of May 8th. If you have misplaced books, now is the time to start looking for them (in some unlikely places).

Meet the author!

Lisa Pilner, a Houston native and alumnus of **Kolter Elementary School**, has written a new children's book entitled 'A Puppy's Dream Come True'. The book shares the true story of her maltese puppy through its eyes.
